

nobi

Your Nobi lights are live!

From now on, the Nobi lights will immediately alert (care) staff if a resident falls.

The other perks:

- Automated lighting for comfort and safety
- Guaranteed 100% privacy: residents are in control
- Allows more time for personalized care

Enjoy the Nobi lights!

Have questions?

Contact your team manager, or scan this QR code to download the brochure for caregivers with more information about Nobi.
